

First announcement

Subject: Announcement of CIMPA Research School (11-22, July 2022) and 17th International Workshop on Real and Complex Singularities (24–29, July, 2022) at ICMC-USP-São Carlos, SP, Brazil

Sent: January, 27th 2022.

Dear all.

We hope this message finds you well.

It is a pleasure to invite you to attend the two meetings scheduled to be held at ICMC/USP-São Carlos, São Paulo, Brazil, in July/2022. See details in the links below.

CIMPA RESEARCH SCHOOL - Singularities and Applications

11--22 July, 2022.

Further information

and

17th International Workshop on Real and Complex Singularities

24–29 July, 2022.

Information and Registrations

<http://worksing.icmc.usp.br>

Both meetings are initially planned to take place in São Carlos city, São Paulo-Brazil, possibly with some online activities. However, if the variants of covid continue to spread, we are prepared to hold both meetings in the online version.

In case you want to participate in them either in person or virtually, please, make your registration as soon as possible in the link provided above. It would help us make the logistics plans.

Best wishes and regards.
