Registrations

[http://worksing.icmc.usp.br/user\\_sing/](http://worksing.icmc.usp.br/user_sing/)

and

### **17th International Workshop on Real and Complex Singularities**

24–29 July, 2022.

Information and Registrations

<http://worksing.icmc.usp.br>

If you wish to participate, please register as soon as possible using the links below to help us organize logistics plans, especially with regard to financial support from Brazilian funding agencies. Please read the news below.

### **We have Good News for young researchers and graduate students willing to come to our CIMPA School**

We intend to fully support a group of selected young researchers, postdocs and graduate students from Brazil and neighboring countries willing to attend the CIMPA School. If you fit in such a description, please, see the details of school in the link <https://cimpa.icmc.usp.br> and make your registration as soon as possible. Also ask your advisor or your professor to send us a letter recommendation to the email link ([sing@icmc.usp.br](mailto:sing@icmc.usp.br), subject: letter in support to YOUR NAME) as soon as possible before **the registration deadline (May 31st, 2022)**.

The list of selected candidates will be announced in the meeting webpage by June 10th.

### **News about transportation provided by the local organizers and hotel booking**

In the link <http://worksing.icmc.usp.br> please find updated information concerning transportation (in the aba "**Information**") provided by the organizers from the airports in São Paulo (GRU - Guarulhos airport) and Campinas (VCP - Viracopos airport) to São Carlos city. We have also included information about hotel booking in the aba "**Hotel**".

As with previous editions, we hope to provide financial support to cover local expenses for most participants.

Best wishes and regards.
