

Dear Colleagues,

This is the first announcement of the "18th International Workshop on Real and Complex Singularities". This event is one of the biggest events in Singularity Theory and it celebrated its 30 years of existence in the last edition in 2022. It started in São Carlos (Brasil) and since then it has always been celebrated there except for once, when it was celebrated in Luminy (France). In this edition, the workshop will be held in València(Spain) from the 21st to the 26th of July 2024. We will also take the opportunity to celebrate the 60th birthday of professor Juan José Nuño-Ballesteros.

The members of the Organizing Committee are:

- Carles Bivià Ausina (Universidad Politécnica de Valencia)
- Nivaldo de Góes Grulha Júnior (USP)
- Juan Antonio Moya Pérez (UV) (coordinator)
- Bruna Oréfice Okamoto (UFSCar)
- Raúl Oset Sinha (UV)
- Guillermo Peñafort Sanchis (UV)

And of the Scientific Committee:

- María Alberich Carramiñana (Universitat Politècnica de Catalunya)
- Carles Bivià Ausina (Universidad Politécnica de Valencia) (coordinator)
- Alexandre Fernandes (UFC)
- Javier Fernández de Bobadilla (BCAM)
- András Némethi (University of Budapest)
- Patrick Popescu-Pampu (Université de Lille)
- María del Carmen Romero Fuster (UV)
- Maria Aparecida Soares Ruas (USP)
- Osamu Saeki (Kyushu University)
- José Seade Kuri (UNAM)

The webpage of the event is under construction and we will soon send a second announcement with information about the registration, the conference venue and other practical information. We intend to have plenary sessions, parallel sessions and a poster session.

Please forward this message to anyone who might be interested.

Best wishes,
The Organizers.
