The hotels in València in July are very expensive. We have found a cheaper option only 300 metres away from the conference venue. It is a student accommodation and you can book a room on Booking.com, for example. The price is around 50€ per night. The only inconvenience is that it is not in València city (the conference venue is in Burjassot, a small town outside the city). The name is

Residencia Universitaria Micampus Burjassot
Avinguda del Primer de Maig, 11
46100 Burjassot (Valencia)

There is another one called Micampus Burjassot Parque which is a bit further away and a bit more expensive, but convenient too.

Hope to see you in València in July.
Best wishes,
The organizers.
