Av. Dr Moliner, 50
46100 Burjassot (València)
Teléfono 96 354 45 71- Fax 96 354 39 18*

To whom it may concern,

On behalf of the Organizing Committee of the "18th International Workshop on Real and Complex Singularities" which was held in València, Spain from the 21st to the 26th of July of 2024, this is to certify that **André Belotto da Silva** gave the invited talk entitled " Principalization of foliated orbifolds " .

Sincerely,

A handwritten signature in black ink, reading "J. A. Moya Pérez".
